MASTER CARES CHRISTIAN HIGH SCHOOL

Dear Sir/Madam,

RE: INVITATION TO AN O-LEVEL PHYSICS SEMINAR

Master Cares Christian High School warmly invites your students to attend the grand **O-level** physics seminar scheduled to take place on Saturday **21st September, 2024** at the school main hall, from **8:00 am- 5:00 pm**.

The objectives of the seminar are to prepare and equip candidates with skills and techniques for responding to items in **535/1** (Theory) and items on scientific investigation in **535/2&3** (Practical). A variety of items have been generated from different thematic areas of the lower secondary education physics syllabus to familiarize learners with the required standards.

The seminar shall be facilitated by experienced and resourceful teachers.

Each student is expected to pay a facilitation fee of **Shs. 10,000** (Ten thousand shillings only). The expected responses/guides to seminar items will also be available at a cost of **Shs. 5,000 each**.

Students should bring their packed lunch. The accompanying teachers will be catered for.

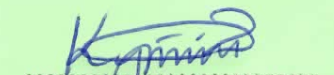

We look forward to receiving you on that day.

Please confirm your participation using the contacts below;

Yours faithfully;
