Item 1

Okello is an undergraduate who is completing his degree in Business Administration in a years' time. He has heard about some workers in big organization in the government with his type of training are accumulating a lot of wealth quickly through dubious ways like corruption, extortion embezzlement and many more others.

Okello is desiring to join the public service after his course so that he can become wealthy through the dubious days.

Task

write an advice note to Okello, suggesting to him the acceptable ways of acquiring wealth.

Item 2

My grandmother usually spends her weekends at our homes, we talk about many things one day, she told me how her two friends and her got married, in one week she told me that her husband wedded in church, after church, they held a party and hosted church people, relatives and friends. On the same day, her close friends Nakato and her husband exchanged their vows at District administrator's office. Then they registered with the Registrar of Marriages as husband and wife. From the registrar's office, they had a dinner with a few friends and close relatives of their families, grandmother told me those two days after Nakato another friend Sherinah wedded traditionally.

Her marriage was witnessed by her parents and parents of the husband, the elders and the community.

Task.

- (a) Relate to the scenario above and explain the different types of marriage.
- (b) Explain the benefits of marriage in the community.

SECTION B

Item 3

In Baba Secondary school, the management, is emphasizing only on academic work. They are discouraging learners from joining co-curricular activities which can help them develop their talents. The parents of the children are also forcing them to do courses leading to only intellectual work. Many of them however have ended up jobless throughout with academic qualifications.

Task

You are invited to speak on career day. Write a speech identifying talent based careers in Uganda and how people have benefited from them

Item 4

Before the coming of foreign religions in East Africa like Christianity and Islam, Africans were notoriously religious. They believed in their ancestral spirits nature and deities whom they would consult frequently in time of need and they would respond to their requests as soon as possible.

Task

Explain any 10 forms of worship in traditional Africa before the coming foreign religions?
