**SECTION A: ART HISTORY**

**EITHER.**

**ITEM 1**

Your school has been invited for an annual art competition and an exhibition will be staged at one of the art centers in your area. The exhibition is intended to promote art and craft industry in your community. Recently, your art teacher had given you a task to construct small houses from various materials which you made using knowledge of Greek and Roman architecture that was made during their civilization period and these are still surviving to date. Some architectural buildings are shown here in figures A and B.

## Support material

**Figure A**

**Figure B**

## TASK

Assuming you have been selected to make more houses for the exhibition and your teacher wants you to include architectural features of Greek and Roman style, what styles and component of the building would you use and show the characteristics of this art form.
