TO; THE HEADTEACHER

THRU; HEAD OF THE CHEMISTRY DEPARTMENT

Dear sir/madam

RE: INVITATION FOR A CAPACITY BUILDING WORKSHOP FOR CHEMISTRY TEACHERS ON 20th APRIL 2024

The Chemistry Educators Society is responding to the numerous calls from Chemistry Teachers and hereby invites them for an intensive capacity-building workshop scheduled to take place on 20th APRIL 2024 in the Conference Hall, School of Education Makerere University starting at exactly 8:00 a.m. to 5:00 p.m.

The workshop aims to update and align the teachers' knowledge and skills with the new trends in the Assessment and Evaluation of the subject in the competency-based curriculum. During the workshop, challenges faced while handling Chemistry in secondary schools will be addressed and possible mitigation measures will be discussed to improve the performance of students in the subject.

Several seasoned Chemistry Educators with great competencies in CBC assessment have confirmed to facilitate this workshop. The teachers are expected to pay Shs 50,000 (fifty thousand Uganda shillings only). Refreshments and lunch will be provided. Supportive software like ChemDraw will be given free of charge. Come with a laptop

For proper organization and planning, we request that you confirm your presence through the following contacts
