To: The Head of Mathematics Department

Dear sir/madam,

RE: INVITATION TO ANNUAL "O" LEVEL MATHEMATICS SEMINAR 2023.

We are pleased to invite all your S.4 students to participate in a **mathematics seminar**. The event is to be hosted by **Kamuli's Grade S.S** on **Saturday 15th, July, 2023** from **8:00am to 5:00pm**. On the same note, I take this opportunity to invite you and your **"O" mathematics** Students to the event.

The purpose of this **seminar** is to instill self-confidence in the students and to enrich them with pertinent aspects such as question approach and interpretation for both papers.

To make this possible, a team of resourceful persons and examiners have been invited and have confirmed their attendance.

For the success of this event, a nominal facilitation fee of **5,000 sh.** per student is required to cater for logistics and Questions. Attending schools are requested to provide transport and lunch for their students and to ensure that students are fully dressed in their official school uniforms. Teachers will be provided with both breakfast and lunch.

Please confirm your attendance by **Monday 10th, July 2023** to allow a noble preparation.

Note: All questions shall be presented, guided and fully discussed to candidates by only the selected senior examiners.

Thanks and regards

ETUMYE IVAN.

ISANGA JOHN.
