TO: All Students  
FROM: Academic Registrar

### **Access to VClass – Important Update**

Dear Students,

Please be advised that, effective March 1, 2025, only students with official VU email addresses will be granted access to VClass. Students without VU official emails will not be able to use the platform.

It is strongly recommended that you use your official VU email to log into your student account on VClass. If you do not yet have a VU official email, please contact the IT Manager for assistance in obtaining one. The IT Manager can be accessed on his email and phone: [it@vu.ac.ug](mailto:it@vu.ac.ug), 0704915129.

This change is being implemented to enhance operational efficiency and improve the overall student experience.

Best regards,

Cc: All staff
