Seeta High School Mukono Campus

Re: **'A' LEVEL PHYSICS SEMINAR.**

On the behalf of the Physics Department of Seeta High School Mukono Campus, we cordially invite your students for an 'A' level Physics 1, 2 and 3 seminar slated for **Saturday 28th September 2024** at **SEETA HIGH SCHOOL MUKONO (MBALALA) CAMPUS**. The discussion will begin at 8:30am and end at 5:00pm.

The morning session will be student centered and the afternoon will be facilitated by senior teachers.

The purpose of this seminar is to give our students interactive exposure to perfect their skills and build their capacity and confidence as they prepare to sit for their final UNEB examinations in November.

Each participant will contribute a facilitation fee **15,000/= only (fifteen thousand Uganda shillings only)** which includes the seminar workouts.

Students should come along with packed lunch. Accompanying teachers will be catered for by the host school.

Questions to be discussed will be sent via e-mail or WhatsApp upon your confirmation. Accompanying teachers should ensure that only well-disciplined students are brought for the seminar. They should be smart and fully dressed in their school uniform. Students should not come with personal mobile phones to avoid inconveniences.

Confirm the participation of your students **not later than Thursday 26th September 2024.**

Expecting your co-operation.

Yours Faithfully,

Mr. Kirya K. Abdu
HOD PHYSICS
