THROUGH THE HEAD OF DEPARTMENT CHEMISTRY.

RE: **INVITATION TO CHEMISTRY SEMINAR ON OLD CURRICULUM  
SLATED FOR 22<sup>nd</sup> SEPTEMBER 2024.**

Receive our warm regards from the BCTA secretariat;

The **bio-chem teacher's association (BCTA)** is a non profit making association which is fully registered with URSB.it was formed last year in January by a group of biology and chemistry teachers with a main motive of revamping performance of biology and chemistry country wide through networking, seminars for students, retooling programs for teachers' country wide.

The association is richly blessed with a good number of seasoned, experienced teachers who are always ready to give guidance, question approach techniques in line with the KBC and CBC curriculum.

The purpose of this letter therefore is to invite your form four candidates of old curriculum for this grand mega seminar in **PIONEER PRIMARY SCHOOL starting at 08:00am-05:00 pm in the main hall.**

Paper one, paper two and paper three will all be handled. Seminar questions will be sent upon confirmation of attendance.

Each student is expected to pay 10,000 sh (ten thousand shillings) which includes question hand out, solution hand out, and facilitation fee.

Candidates are further advised to carry packed lunch and accompanied by their teacher.

We look forward to your positive response
