"EDUCATION IS LIGHT"

The Head Teacher

Dear Sir/Madam,

RE: Invitation to "O" & "A" level annual Chemistry Seminars

Your school is warmly invited to attend fruitful Chemistry seminars for both O and A level. The seminars are scheduled to take place on **Saturday 21st September 2024** at **Jinja Modern Secondary School** starting at 8:30 am to 5:00 pm.

These seminars are intended to address key concepts and question approaches in Chemistry. A team of facilitators and examiners/item developers is set to address learners for both levels just like what was done last year. Each learner is expected to contribute a fee for the facilitation as categorized below:

- | | | |
|-------|------------------------------|--|
| (i) | "A" Level – | 10,000 (Ten Thousand Ugandan shillings) |
| (ii) | "O" Level (CBC) – | 7,000 (Seven Thousand Ugandan shillings) |
| (iii) | "O" Level (Old Curriculum) – | 12,000 (Twelve Thousand Ugandan shillings) |

The "O" Level Transitional students (Old Curriculum) will be given both Mathematics and Chemistry facilitations. Mathematics facilitations will take half day while chemistry will be facilitated after lunch.

Learners are expected to come with their packed lunch. Teachers accompanying learners will be given breakfast and lunch and a commission per student just like last year. Questions and items for discussion shall be given out after confirmation of attendance. Responses and answers/facilitation tips will be available in booklet format @3000UgShs.

Expecting your attendance and co-operation.

Yours faithfully,

Mr Mweru Devis
