PAPER 1

THEORY

2 hours 15 Minutes

INSTRUCTIONS TO CANDIDATES:

- *This paper consists of **two** sections; **A** and **B**. It has **five** examination items.*
- *Section **A** has **one** compulsory item.*
- *Section **B** has **two** parts; **I** and **II**. Answer **one** item from each part.*
- *Answer **three** examination items in all.*
- *Any additional item(s) answered will **not** be scored.*
- ***All** answers **must** be written in the answer booklet(s) provided.*

SECTION A

Answer the item in this section

Item 1

Achievers women's SACCO had a heated argument with KTM Bank officials over varying SACCO records and Bank records and Bank statements. They thought that the Bank deducted their money on the account without their awareness, only that the treasurer had lost some of the written records that could solve the misunderstanding, as a policy the Bank has decided to give them an offer of all the necessary ICT tools and equipment's such that they can keep their records safely to avoid future similar incidences.

TASK,

write a proposal to highlight all the necessary tools that the Sacco needs.

SECTION B

PART I

Answer one item from this part

Item 2

St. Francis high school is planning to purchase new ICT tools to restock their laboratory because the old ones had stopped functioning due to poor ICT storage facility. They Have purchased more than 100 new ICT tools and they do not know to deal with the old stock. The administration is planning to dump them as they are now useless to them but the lab attendant is opposing this as it is not good for the environment.

task

- (a). Help the lab attendant to further explain their effects to the environment.
- (b). How can the school avoid losing the new stock like the old stock?

Item 3

KLHG sugar factory as found a new sugarcane variety through their very expensive research carried out over a period of two years. They have kept their research data on a hard disk in the research and development servers, but the Head of Department who is a friend to you, has been told that the data might be lost or even stolen and he shared worry with you.

TASK

write up a piece of advice about the ways in which that damage could happen and how best to avoid it.

PART 2

answer one item from this part

Item 4

Mr. John Pemba is planning to have a wedding in December so he wanted to invite his friends, make the wedding budget, create a list of invited guests and also to write letters to the government officials and the Police for support and security respectively, but he lacks enough ICT knowledge to do all the above yet he wanted to do all of the above by himself such that his wedding is known and honored.

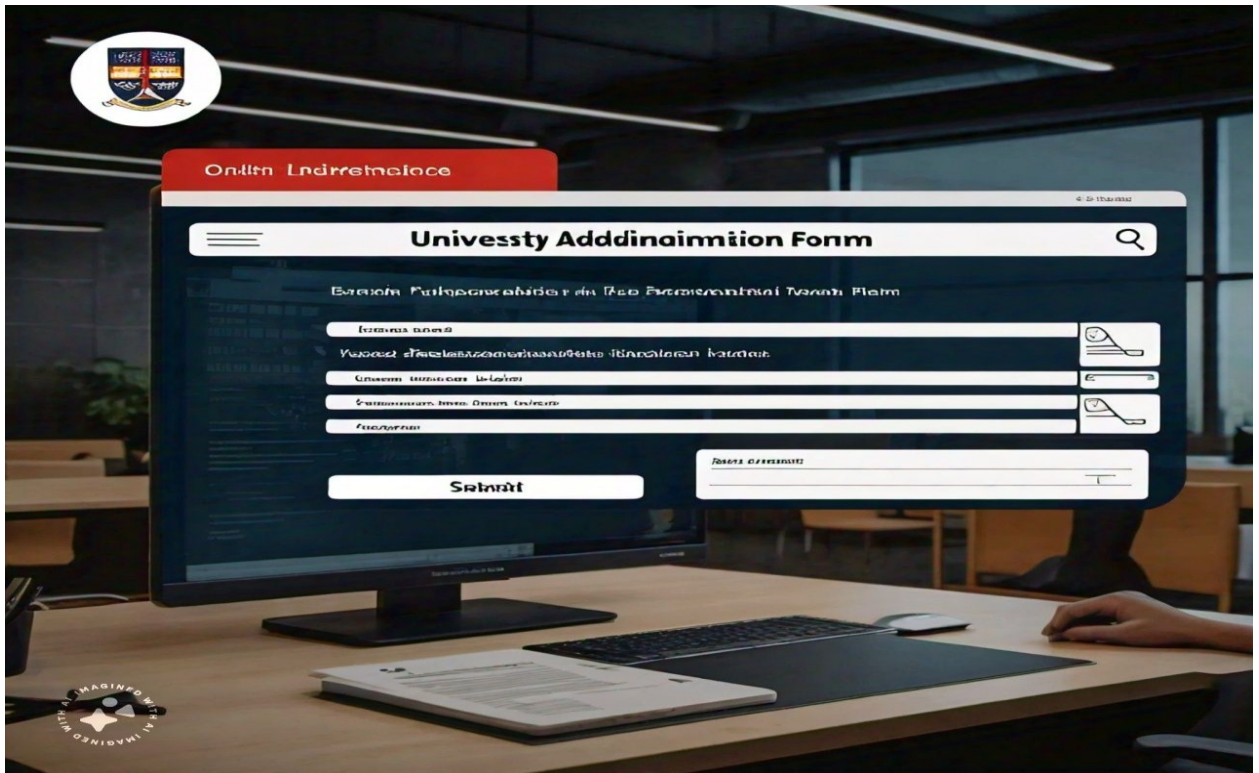

Task

Explain to him what he needs to have and the necessary steps to follow since he has the computer.

Item 5

Kato a senior six graduate is planning to join the University of his dreams, **KJF ROYAL UNIVERSITY** due to its quality services. He was told that all the admissions can only be done online and he lacks that knowledge. He was required to upload the academic documents, birth certificate, National ID, his passport photo all in soft copies and for him he has them in hard copies. He was also to pay the admission fee through their Bank account and then to upload evidence of payment and ran to you for help.

TASK

Write a piece of advice showing how he can do it, with the steps he can follow.
