24th AUGUST 2024.

TO:

THE HEAD TEACHER:

.....
.....

THROUGH :THE HEAD OF DEPARTMENT CHEMISTRY.

RE: **INVITATION TO CHEMISTRY SEMINAR FOR LOWER CURRICULUM
SLATED 28th SEPTEMBER 2024.**

Receive our warm regards from the BCTA secretariat;

The **bio-chem teacher's association (BCTA)** is a non profit making association which is fully registered with URSB.it was formed last year in January by a group of biology and chemistry teachers with a main motive of revamping performance of biology and chemistry country wide through networking, seminars for students, retooling programs for teachers' country wide.

The association is richly blessed with a good number of seasoned, experienced teachers who are always ready to give guidance, question approach techniques in biology in both papers.

The purpose of this letter therefore is to invite your form four students for this grand mega seminar at **KONGUNGA HIGH SCHOOL MAIN HALL** starting at **08:00am-05:00 pm**.

Paper one and paper two will all be handled by senior experienced seasoned facilitators. Seminar questions will be sent upon confirmation of attendance.

Each student is expected to pay 10,000 sh (ten thousand shillings) which includes item hand out, solution hand out, and facilitation fee.

Candidates are further advised to carry packed lunch accompanied by their teacher.

We look forward to your positive response
