Dear Sir/Madam,

RE: Proposal to Participate in our Specialised Mock Examinations

Literature and English Education Initiative Uganda is an entity that brings together a cross section of Secondary School Senior Education professionals with focus on the New Lower Secondary School Curriculum. Our consultancy is of a team of senior teachers who are Panellists at National Curriculum Development Centre, National Trainers and National Examiners.

Objectives of the Association

Promoting excellent performance is our major objective with Focus to the New Lower Secondary School Curriculum. Similar to your primary mission to train and equip refugees and war affected communities through education, we offer to reinforce through the programmes below:

- Training to retool teachers to acquire the relevant knowledge and skills of implementing The New Lower Secondary School Curriculum.
- Organise external mock examinations to familiarize candidates with the new strategies and the expected approaches to writing the answer responses.
- Conduct learner Seminars to take them through the corrections and equip them with answering techniques, build their confidence in preparation for the UNEB examinations.

Our next activity is the external mocks. The details and schedule are here below.

<i>Sn</i>	<i>Activity</i>	<i>Rates</i>
1	New Lower Secondary Curriculum UCE English mocks	6000 per learner
