

**KAMSSA END OF TERM 1 S.3 CRE
SCORING GUIDE**

NO	IDEA	EXPLANATION	APPLICATION
1	By praying enduring circumstances	God wants us to pray to him and appreciate the gift of life re gave to us	God created us with the purpose of praying to him and this is what he wants us to do in our life time
2	By being thankful	God listens to us and wants us to appreciate him as the sole provider for our needs. We should ask for through praise and worship	Christians should be appreciative of God's provision and pray for what they do not have
3	Enduring circumstances	God wants us to trust in him and endure all circumstance in his name	Christians are God's children. They should patiently wait for God to rescue them out of circumstances.

N01(b)

NO	IDEA	EXPLANATION	APPLICATION
1	God is caring	God is caring he remains his people to pray all the time and task for what they do not have	The biblical text teaches about God's endless love for his people
2	God is in trinity, God the father, son and spirit.	Christians have helpers for example God the son, and the spirit.	Christians should remain strong and believe in God Amidst challenges because He is union with Christ
3	God is a father	He remains his children to pray, to ask for and to be thankful	The biblical text wants us to have total trust in the lord good the sole provider
4	God is pure	He looks for purify of our hearts so as to praise and worship him in holiness	The biblical text teaches us to be holy and pure because that is what god wants

ITEM 2

NO	IDEAS	EXPLANATION	APPLICATION
1	The rich should undermine the welfare of under privileged	The rich people should use their riches to help the underprivileged like the poor, lame. God has provided for them they should also provide for others	God wants us to know that we are all his children the rich and poor
2	The rich need to be remained of the judgement day	They should know that the rich who mistreat God's people shall perish with their riches	God punishes evils and rewards good. The rich should opt to do good
3	The rich should stop keeping the under privileged in fear	The bible text tells us that the rich mistreat the poor and that the poor cannot resist them The rich people need to change their behaviors and mind about God's people	The bible text teaches us that it's God who gives but not out of our strength that we become rich

ITEM 3

NO	IDEA	EXPLANATION	APPLICATION
1	Traditional Africans could perform blood pact to seal trust and honesty	Workers need to be honest and trust worthy as the ideals for oneness and this comments togetherness for successful work	The traditional Africans valued honesty at work and did whatever it costed them to seal it so workers should be trust worthy
2	Two heads are more than one	Dinah should come back and apologies to her friends because they managed a restaurant when they were two	God gives us different talents that we need to put together in order to develop God's kingdom our selves
3	Christian virtues should be taught and instilled in children	Christian virtues like honesty, trust should be taught to children when they are still young	Christianity calls for the fruits of the spirit like honesty. This is what can help to work together in peace and harmony more so workers who are insulted by their bosses

ITEM 4

NO	IDEA	EXPLANATION	APPLICATION
1	God expects us to worship and praise him after work	God created us to work and rest after work copying from his example	The bible text tells us to spend leisure while creator through praise and worship
2	God rested after work	Christian should rest after work copying from God example.	When we work without resisting, we do not receive any rewards from God
3	God set the sabbath day a side and kept it holy	God set the sabbath day a side for man to praise him, reflection his creation ad exalts him	The bible text wants all workers to learn that it was in God's plan therefore man should find time for his creator

ITEM 5

NO	IDEA	EXPLANATION	APPLICATION
1	Good gives us different	Workers should know their different potentials and use them immerse wealthy	We should first appreciate God given potentials and use them well to become rich
2	Corruption and bribery are bad practices	They bring about suffering of the innocent and the poor. Everyone needs to live happily more so at places of work	We should look on to God when boking for wealth
3	Employees should sympathies with their employees	In most cases employees receive pee-nuts in terms of payments Employers should sympathies with them	Let those who have help those with out so as to get God's blessings

ITEM 6

NO	IDEAS	EXPLANATION	APPLICATION
1	Village meetings	Village's meetings chaired by their leader can help because it is a full council of different leaders who can give different ideas to solve the problem	Let Mr. Vime and miss Nabweso learn that they need each other in life We also learn to learn on others without looking at one issue
2	Reconciliation in life is important	No man is an island, if the village council has looked into the problem and seen that they need to reconcile let them reconcile	Reconciliation is all we need to settle problems. Problems are part and parcel of human life but the degree of solving them matters a lot
3	Peace and oneness	Nothing is needed in our lives like peace. They fought and almost their lives, they would have left their land behind	Elders learn to be peaceful and teach it even to young ones
