**Art making -practical**

**4 hours**

**INSTRUCTIONS TO CANDIDATES:**

This paper consists of four examination items.

Answer only one item.

This paper will be done in two sessions

- i) Planning session (1hour -morning)
- ii) Production session (3 hours -afternoon)

Bulky materials such as cement, clay, stone, hardwood or materials which may lose their intended shapes and forms should be avoided.

Avoid using materials which may easily decompose in the process of transportation from the school to examination store.

Read the scenario provided and then answer accordingly using the appropriate materials and tools to generate a suitable artwork or form.

**NOTE.**

Your product / work may be generated from any discipline of art and design for as long as it is in the direction of the scenario given.

*Restoring the church in education*

*Turn Over*

## **ART MAKING PRACTICAL**

### **Item 1.**

It is academic day at school and all the parents are going to come to your school. An exhibition has been organized where most of the departments are to exhibit their work. The department of Art and Design is planning to exhibit art work that encourage the youth to have discipline and avoid drug abuse.

#### **Task.**

Using materials of your choice create an art work that communicates a message for the theme of the exhibition, reflecting a human figure.

### **Item 2.**

In your country, there are poor roads. Many people have died and others have been admitted at different major hospitals in the country. After touring to different places the drivers and passengers have discovered that the roads where not constructed well to its standards. There are no road signs to follow and even for directions.

The UNRA and the minister for transport have agreed that there is need for the drivers and the public to be educated about using the roads with its signs in order to avoid accidents.

#### **Task.**

As an artist, create an informative artwork to help the UNRA and the minister for transport to communicate to the public about the problem.

### **Item 3**

Things have totally changed in Uganda today, and there is a youth club in your community called "INSPIRATION". The club empowers the youth with values and skills to become responsible citizens, they once hold meetings and provide counseling services to students as well as teaching them different skills in carpentry, cookery, Tailoring, weaving and electrical installation.

The club would like to be known by different audiences in the area for their impact to be felt.

#### **Task.**

Using colors of your choice design an identification symbol suitable for their club.

### **Item 4**

An organization work on developing different landscape design for people's homes, schools and hotels. The exteriors include; compounds with flowers, walk ways, playing fields some buildings and trees.

#### **Task.**

Using any available materials in your area and develop an artwork with an inspiration addressing the cause.
